

**SOLE DI
SAN MARTINO**

OUR MISSION

Our company is in La Morra, in the heart of the Langhe, cradle of the finest Italian food and wine tradition.

Our mission is to gather only the very best of this inestimable heritage of knowledge and culture, to give our customers the pleasure of discovering the excellence of a territory full of surprises.

Products that speak of our land, made with artisan skill and carefully selected ingredients.

You'll find all of this in our giftboxes, along with our passion and remarkable attention to detail.

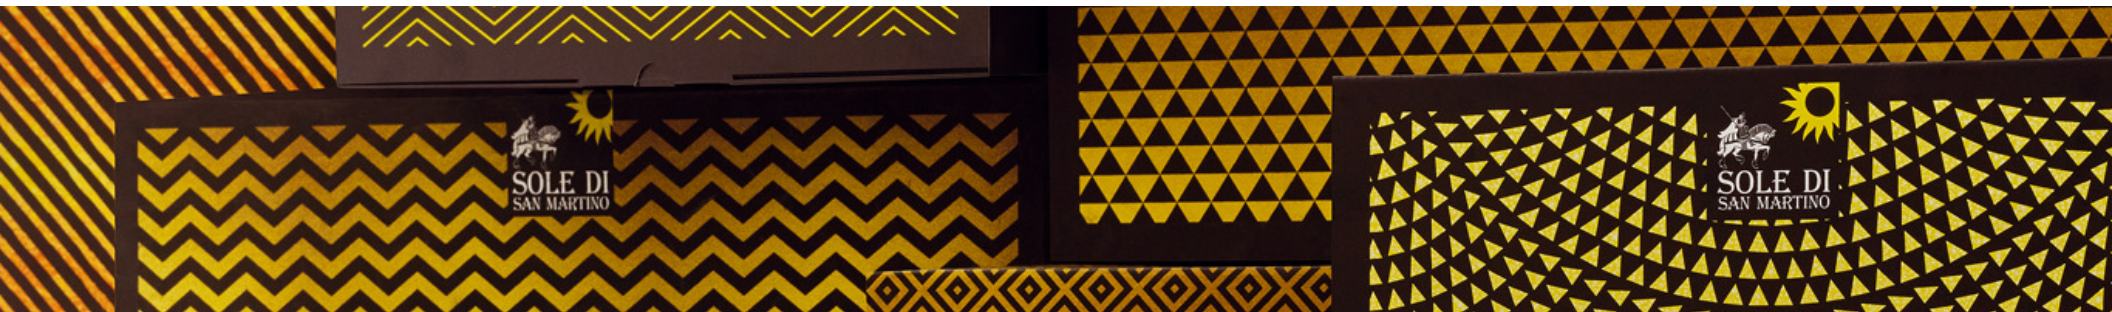

WE SELECT FOR YOU ONLY THE FINEST ITALIAN PRODUCTS

We have been selecting and packaging the finest wines and culinary specialties for our clients for over twenty five years, looking for suppliers able to surprise us.

Originality, elegance and constant research are essential when choosing the products to go into our kits.

Complying with our desire for innovation and our innate curiosity, every year we discover excellent and often unknown producers, whose products are of the highest quality and are **customized for our customers.**

PLEASURE TO TASTE AND PLEASURE TO GIVE. OUR GIFTBOXES.

Sole di San Martino gives unique specialties, selected with care: a real delight when you taste them, but also a great satisfaction in case you use them as a gift.

Our selections are wrapped with elegant and refined giftboxes.

We think that the look is as important as the content.

Pleasure begins when you see a product and goes on when you taste it.

We pay particular attention to the combination of aesthetics and functionality, with giftboxes designed to be strong on the outside and tidily arranged with dividers on the inside.

OUR KITS

To meet our most demanding customers we have chosen to enhance the excellence of the territory with a varied range of tasting kits.

But the kits you can see in our catalogues and in our website are just an example of what we can do.

We are always ready to create new solutions according to our clients' needs and taste.

AN EXAMPLE

The famous Italian Tempocasa real estate agency chain with more than 350 offices throughout Italy, has chosen Sole di San Martino as a partner since 2018, buying up to now 20,000 kits that are given to each customer when signing a contract.

THE TERRITORY: LANGHE, ITALY

The name of the Langhe is so evocative as to immediately conjure up the scent of truffles and wines and the colours of the hills covered by rows and rows of tidy vines.

Much of Italy's culinary and viticultural excellence is produced here.

The remarkable wealth of food and wines in this area offers an outstanding variety of proposals, embodying a cultural heritage to be preserved with love and attention.

COME AND VISIT US IN THE LANGHE

A food and wine tour is an excellent opportunity to discover where all the goodness that Sole di San Martino has been offering its customers for over twenty five years is born.

Arborina Relais, an oasis of peace and tranquillity in the heart of the Langhe, is the ideal setting in which to give in to the pleasures of the palate, in beautiful surroundings full of charm.

Here you can enjoy a selection of our products, incorporated into the delicious recipes typical of Piedmontese cuisine.

OUR EFFORTS AND OUR RESULTS

Everyone at Sole di San Martino put their maximum effort to honor traditional recipes and respect the excellent raw materials.

And the results reward us.
An example?

The place we call "our home", that is our hotel Relais Arborina of La Morra, where all our delicacies are born, has seen chef Andrea Ribaldone of the hotel restaurant Osteria Arborina receive the recognition of a Michelin star both in the 2018 edition, in the 2019 edition and in the 2020 edition of the homonymous guide and the 'Best performance of the year' award from the L'Espresso Guide of Restaurants 2018.

The constant commitment, professionalism, extreme attention to detail, quality experienced as a mission and the work of a passionate team are the keys to achieving the goals we set ourselves.

Sole di San Martino products are an expression of this mentality.

Choosing Sole di San Martino, you choose to adopt it.
