

# Steccolecco®

Restaurants, Hotels,  
Catering and Clubs

Our production philosophy is based on the research of the highest quality and only natural ingredients, perfectly balanced in order to get a healthy, genuine and naturally good gelato: we use only seasonal fruit, filtered water, fresh milk and organic eggs. Our cream flavours are made with partners like **Agrimontana** for the nuts (hazelnut and pistachio) and **Domori** for our chocolate flavours.

Both First Class Italian providers

Many of our flavours meet food intolerances maintaining the taste unchanged.
